IT

Un aggiornamento per la nostra luc dal design minimalista. Oggi luc è ancora più confortevole nella versione imbottita. Tutti i colori, i materiali e le basi sono disponibili anche in questa nuova versione soft, rendendo questo modello ancora più versatile ed adatto ad ogni ambiente, sia in spazi pubblici che privati.

EN

An update for our minimalist luc. Now luc is even more comfortable with the padded upholstery. All colours, materials and bases are also available in this new soft version, making this model even more versatile and suitable for any environment, both in private and public spaces.

DE

Ein Upgrade für unseren minimalistischen Design-Klassiker luc. Luc ist jetzt noch bequemer mit der quer gesteppten Polsterung. Auch in der soften Variante sind alle bekannten Farben, Materialien und Untergestelle verfügbar, so fügt sich luc soft in der gesteppten Ausführung noch besser in jeden Raum ein, ob im privaten oder öffentlichen Raum.
